# Located in Cinta Costera

An iconic 60-story loft-style apartment and penthouse building offering spectacular ocean or city views.

A portrait of Philippe Starck against a solid orange background. He is wearing a dark jacket and holding a patterned hat on his head with his right hand. He has a beard and is looking directly at the camera.

# About Philippe Starck

Starck is the man who reinvented the lemon squeezer and redefined the luxury bathroom. If you want someone to guide you in the process of manipulating space, molding it into something out of this world, yoo by Starck is the one.

«yoo is a very unique concept in the world. He allows our cultural tribe to be helped with competence, honesty and tenderness at a crucial moment in his life - the purchase of his apartment.
